

ENERGY-~~CONSERVING~~EFFICIENT CONSTRUCTION

Use of energy-conserving construction will be a high priority. The proposed project which contains the most efficient energy-saving plans within an acceptable budget will have highest priority. Energy-saving designs shall be documented in the architectural evaluation and shall comply with educational specifications as determined by the State Department of Education and approved by the School Board.

A continuous study of energy ~~use problems and energy sources~~ shall be maintained by the administration for future planning in new construction and renovations.
