

# Scottsville Elementary School Additions and Improvements

## School Board Preliminary Design Presentation

Creating Together: Meaningful Architecture + Student Success

# Today's Agenda:

- Project Scope
- Site Plan
- Building Plans
- Exterior Character
- Interior Design and Environmental Graphics
- Estimate of Probable Cost
- Project Schedule

# Project Scope

- Classroom Addition
- Gym Addition
- New Art Room
- Site Improvements
- Interior Renovations, including repurposing old gym
  
- New Capacity: 303 (previously 189)
- Total Project Budget: \$12.2M

# Existing Site

- Eight Temporary Classrooms
- Mixing of Bus Traffic and Parking

# New Site

- Eliminates all Temporary Classrooms
- Separates Bus Traffic and Parking
- Improves Outdoor Play and Learning Opportunities

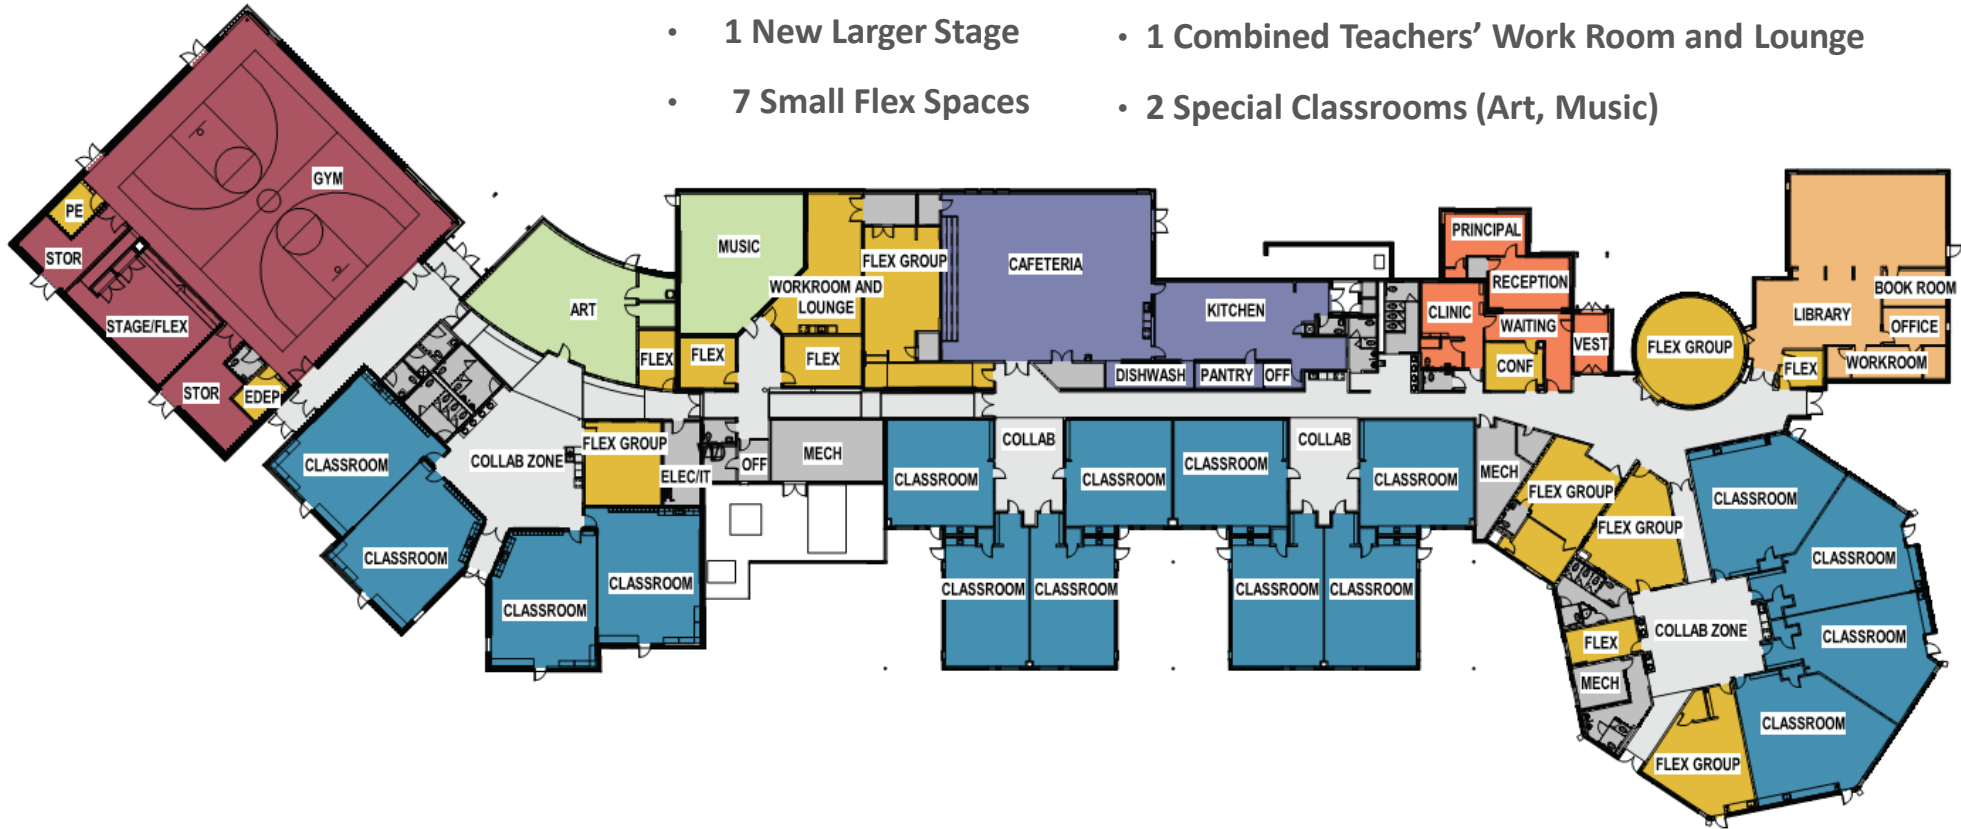

# Existing Overall Floor Plan

- 12 Classrooms
- 3 Large Flex Spaces  
(Includes Round Room)
- 8 Small Flex Spaces
- 1 Stage
- Teachers' Wk Room and Lounge

# Overall Floor Plan

- 16 Classrooms
- 4 Collaboration Zones
- 1 New Larger Stage
- 7 Small Flex Spaces
- 1 Medium Flex Space
- 6 Large Flex Spaces (Incl. Round Room and Old Stage)
- 1 Combined Teachers' Work Room and Lounge
- 2 Special Classrooms (Art, Music)

# Floor Plan - Addition

- 4 New Classrooms
- Central Collaboration Zone with Learning Kitchen and Outdoor Access
- Two Additional Flex Spaces
- Boys and Girls Toilet Rooms
- Two Public Unisex Toilets for Assemblies
- New 1200 sf Art Room with Kiln and Storage
- 4600 sf Gym—twice as large as existing
- Offices for PE and EDEP
- PE Toilet Room
- Larger Stage

# Floor Plan – Renovation

- Convert Existing Gym to Music Rm, Teachers’ Wk Rm/Lounge and Flex Space
- 3 New Collaboration Zones
- ADA Upgrades for All Toilets, Access to Stage
- More Efficient Use of Existing Small Rooms in Octagon
