

SERVICES FOR GIFTED STUDENTS

The Albemarle County School Board ("School Board") is committed to discovering and cultivating the unique gifts, talents and interests that every student possesses. Annually, the School Board shall approve a comprehensive plan for the education of gifted students that includes the components identified in the Board of Education regulations. The development process for the school plan includes opportunities for public review of the school plan and comment. The school plan for the education of gifted students is shall be accessible through the School Division's website and the division will ensure that printed copies of the plan are available to citizens who do not have online access.

The School Division has uniform procedures for screening, referring, identifying, and serving students in kindergarten through twelfth grade who are gifted in general intellectual aptitude, including students for whom accurate identification may be affected because they are from an underrepresented group, economically disadvantaged, have limited English proficiency, or have a disability.

The School Division will provides written notification to and seeks written consent from parents and legal guardians to conduct any required assessment to determine a referred student's eligibility for gifted education services.

In addition to services targeted to students designated as gifted through established measures, School Division staff will implement a flexible service talent development model that ensures that gifted and/or talent development services are available to the benefit of every student. Talent development model exposes all students, especially those in the kindergarten through second grades, to advanced learning opportunities. The Sschool Ddivision has methods of documenting student progress to demonstrate the need for differentiated instruction and/or future gifted education referral and identifications. Students who are not identified and/or students who show strengths in an area not formally identified will also have access to Talent Development services through extension, enrichment, and differentiated instructional strategies. be included in services as appropriate and as resources permit.

The School Board shall establish a local advisory committee composed of parents, school personnel, and other community members. The committee will reflect the ethnic demographic and geographical composition of the Sschool Ddivision. The committee will annually review the School Division's plan for the education of gifted students, including revisions, and determine the extent to which the plan program for the previous year was implemented. The findings of the annual program effectiveness and the recommendations of the committee will be submitted annually in writing to the division Superintendent and the School Board.
