

## ACPS Equity Policy Review Checklist

Albemarle County Public School Division’s shared equity mission is to end the predictability of social and cultural factors on student success by working together with families and communities to ensure each individual student’s success (ACPS Equity & Access Initiative: A Call to Action, 2017).

Title: FE, Playground Equipment

**Steps:**

1. Review the policy against the checklist. If you can answer “yes” to item 1, “no” to item 2, and “yes” to item 3, then the equity threshold has been met; if not, proceed to step 2.
2. Make revisions to the policy
3. Review the revised policy against the checklist
4. After the second review, if you cannot answer “yes” to item 1, “no” to item 2, and “yes” to item 3, or if you are unsure what changes to make, this warrants referral to the review committee

<b>Equity Policy Review</b>			
	Yes	No	Comments
1. Will the policy have a <u>positive</u> impact on equity, inclusion and full participation of all people?	X		Allows for inclusive planning group and a process for CIP requests as well as school-based proposals.  Changed minor language instances (“his”)  In addition to being a resource for our schools, the playgrounds are available for community use during designated times.
2a. Is there a likelihood of <u>adverse</u> impacts with respect to equity (or are there already adverse impacts)?		X	This policy is not inequitable, but the Board should continue to monitor the prioritization and funding of school playgrounds either through the CIP process or other planning meetings.
2b. If yes, which “classes” might be affected?	<input type="checkbox"/> Sex <input type="checkbox"/> Gender (Identity and/or Expression) <input type="checkbox"/> Race <input type="checkbox"/> Color <input type="checkbox"/> National origin <input checked="" type="checkbox"/> Disability <input type="checkbox"/> Religion <input type="checkbox"/> Ancestry <input type="checkbox"/> Age <input type="checkbox"/> English language status <input type="checkbox"/> Marital Status <input type="checkbox"/> Genetic information <input type="checkbox"/> Sexual orientation <input type="checkbox"/> All classes <input checked="" type="checkbox"/> Cannot identify a specific class
